

Corus Hotel Elstree

The Corus hotel Elstree is a timbered mansion house that sits in 10 acres of natural woodland and has distant views over the capital city. The hotel has recently undergone a full refurbishment, the majority of which was designed by our sister company, 'Laura Ashley'. Whilst the hotel has all of the modern facilities that you would expect from a 4* property, many of the original features have been resorted creating a charming and interesting venue for business or pleasure.

The venue offers a convenient location for business in Elstree & Borehamwood, Watford, North London and the surrounding areas. It's easily accessible from A1, M25 & M1. The extensive conference facilities include five modern and versatile suites all with natural daylight and air conditioning. The hotels grounds are ideal for a wide range of team building exercises and the landscaped gardens make the perfect setting for corporate events including BBQ's and Hog Roasts. All bedrooms offer LCD televisions with a selection of Sky channels and wireless internet connection is available throughout the hotel.

The hotel is also a popular venue for social celebrations including birthday's, Christenings, Anniversaries, Barmitzvah's and Weddings. There is a license for Civil Wedding Ceremonies.
